

## Dotan- Fall

## Capo 1

Intro : Em D C 2x

Em D C Em D C  
Come out while the rain is gone, slow down breathing on your road

Em D C  
And the world keeps spinning around while we dive in it

Em D C  
And the world is bringing us down leaving marks on our skin

Em G D C Em G D C  
Cold wind beneath our wings, Bracing out till we let it in, don't we all fall, Don't we all fall

Em G D C  
Chasing lights of the dying limbs, change will come if we don't begin

Em G D C Em  
Don't we all fall, ..... don't we all fall..... ..... don't we all fall

Em D C Em D Em  
Stone cold by the silver sea, ..... ripped-off, of this make believe

Em D C  
And we all we travel till the lights kick in

Em D C  
While we all keep climbing the walls chasing the marks on our..... skin

Em G D C Em G D C  
Cold wind beneath our wings, bracing out till we let it in, don't we all fall, don't we all fall
